

SACS Housing Attendant™

Are you frustrated with all of the constant telephone calls?

You need to consider SACS Housing Attendant™, an innovative solution for routine telephone calls.

SACS' latest software innovation, SACS Housing Attendant™, is the perfect accompaniment to your housing agency. With the SACS Housing Attendant™ your agency can eliminate many hours on the phone answering routine questions.

SACS Housing Attendant™ is 100% automated and can give your applicants agency specific information on how to apply for housing and their waiting list position. In addition, current tenants can inquire on their current balance or future rent changes. The system supports English, Spanish or any other language to meet your agency's needs. All the applicant/tenant has to do is enter their SSN or HUD Alternate ID to retrieve this information.

To hear how it works call **256-397-1799** and use **123456785** for the SSN when prompted.

Have the new HUD regulations increased your workload? Why not use SACS Housing Attendant™ to answer your routine questions like waiting list position, rent amount and current balance.

No complicated installation necessary. A dedicated computer is not required; you can use one of your existing computers. You only need a dedicated extension or phone line. Voice over IP is available.
